

## Learning Project WEEK 2- The area you live in

**Age Range: EYFS**

Weekly Maths Tasks (Aim to do 1 per day)	Weekly Reading Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> <li>● Watch a Numberblocks clip each day at: <a href="#">BBC</a> or <a href="#">CBeebies</a>. Use this guide <a href="#">here</a> to give you ideas on what to do with your children whilst watching an episode.</li> <li>● Interactive games can be found at the link below <a href="https://www.topmarks.co.uk/maths-games/3-5-years/counting">https://www.topmarks.co.uk/maths-games/3-5-years/counting</a></li> <li>● Practise counting backwards from 10 or 20. This can be done through playing hide and seek, singing number songs, chanting, board games etc.</li> <li>● Play a simple pattern game using the link below <a href="http://resources.hwb.wales.gov.uk/VTC/simple-patterns/eng/Introduction/MainSession.htm">http://resources.hwb.wales.gov.uk/VTC/simple-patterns/eng/Introduction/MainSession.htm</a></li> <li>● Sing Number songs to practice counting, reciting numbers in order, one more, one less using number songs: Five Little Ducks, Five Little Speckled Frogs, There were 10 in the bed, Five Cheeky monkeys.</li> <li>● Play the 3 Bears size sorting game <a href="https://www.topmarks.co.uk/Flash.aspx?f=ThreeBears">https://www.topmarks.co.uk/Flash.aspx?f=ThreeBears</a></li> </ul>	<ul style="list-style-type: none"> <li>● Read a variety of books at home. Favourites can be repeated. Hearing the patterns of language in a story will support your child's language development.</li> <li>● Read a rhyming book (miss out the last word in a rhyming sentence and see if children can guess the missing word).</li> <li>● Read the story of The Three Little Pigs (or watch on youtube)- Discuss the choices the little pigs make about the materials they use to build their houses. Can children figure out the material their own house is made from?</li> <li>● Read a range of fairytales and listen to songs to go with them. Go on youtube and type "Debbie and Friends" in the search engine. Lots of fairytale songs will come up.</li> <li>● Encourage children to join in with the repeated phrases in books you are reading e.g. "I'll huff and I'll puff and I'll blow your house down."</li> </ul>
Weekly Phonics Tasks (Aim to do 1 per day)	Weekly Writing Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> <li>● Sing Nursery Rhymes and songs together. Add in actions and change the words. Can children think of different rhyming words to add in? Repeat old favourites and learn new rhymes. You can find an A-Z of <a href="#">Nursery Rhymes here</a>.</li> <li>● Encourage children to hear the first sound in a word by playing games such as eye-spy</li> <li>● Listen to one of the Jolly Phonics songs and try to think of words that begin with that sound.</li> <li>● Play Simon says by sound talking words for your child to blend eg. Put your hands on your l-e-g</li> <li>● Send your child on a sound hunt around the house. Can they find and record all of the items that make sounds? (e.g. hairdryer, TV, fridge, microwave, phone) Can they make those sounds with their voices?</li> </ul>	<ul style="list-style-type: none"> <li>● Practice name writing. Can they write their first name? Middle name? Surname?</li> <li>● Let children investigate using a range of writing apparatus eg. chalks, crayons, paint, felt tips, whiteboards and pens etc.</li> <li>● Practice drawing different shapes eg. square, rectangle, circle, triangle. Use these shapes together to make a rocket or a house etc. What else could you draw using these shapes?</li> <li>● Draw a map e.g. a pirates treasure map</li> <li>● Build children's hand strength for writing by playing with play-doh, spray bottles, pegs, threading, colouring etc.</li> </ul>

## Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more about the area in which they live. Learning may focus on your local area, famous people, key landmarks and links to your city.

- **The rooms in my house-**
  - Support your child to create a map or cross section of their home. Can they name all of the rooms? An adult could hide an object in a room and mark where it is on the child's map. Can they use their map to find the hidden object?
  - Gather an object from each room and challenge your child to return them to the appropriate room e.g. toothbrush from the bathroom, teddy from their bedroom.
  - Hide objects around the room and describe where it is e.g. "it's under something red" Can your child hide an object and describe where it is for you to find?
- **Go on a numeral hunt-**
  - Search for numerals around the house (clocks, books, house numbers, car registrations, oven, washing machine). Can they record the numerals on paper?
- **Find your house on google maps-**
  - Explore using google maps to look at your house from above and on street view. Use the arrows to move up and down the road and around your area. Can they find key places e.g. the corner shop, their school, grandparents houses.
  - Search for a house in a different part of the world and discuss how it is similar or different to your own. You could use places children have visited on holiday or search places that are significantly different.
- **Junk model your house-**
  - Using old packaging (shoe box, cereal box etc.) support your child to make a model of your house. Can they count how many windows there are and stick on the right amount? Can they write their house number on the front?
  - Junk model your dream house. Use materials from around your house to decorate e.g. old wallpaper, fabric, wool.
- **Go on a shape hunt-**
  - Set your child a shape finding challenge around the house. Ask: Can you find a triangle/ square/ rectangle/ circle in this room? How many can you find? Can you draw all of the circles on one piece of paper, triangles on another etc.
- **Use construction blocks to build your house-**
  - Using Lego, Duplo, wooden blocks make a model of your house. Can they add in the rooms and doors in the right places? Write labels to match each room on pieces of paper.
  - Build your dream house out of construction blocks.
- **Create a furniture collage-**
  - Using old magazines and catalogues support your child to cut out and stick or sort objects into the room they would belong in. Support your child to use the correct scissor grip using this [guide](#).
- **Exploring with your senses-**
  - Gather a collection of household objects e.g. fork, cup, toothbrush, teddy bear, book and show your child. Use a scarf/ material as a blindfold and pass your child one of the objects. Can they figure out what it is through touch alone? Give clues if they are struggling. Swap roles and ask your child to give you an object to figure out.
  - Explore the textures around your house. Can children find something rough, smooth, bumpy. They could take a wax rubbing of each texture (Lay a piece of paper over the top and rub over with the side of a crayon). You could continue this into the garden.
